MAP'S DEMOCRACY MAPS SNAPSHOT SCORES

Scores as of 04/19/2024

MAP's Democracy Maps track over 40 election laws, policies, and datapoints. These laws are grouped into six major categories: Voter Registration; Representation & Participation; Voting in Person; Voting By Mail; Election Security; and Independence & Integrity. These policies are scored across all 50 states and Washington DC, and these individual policy scores are then added together to create the Overall Democracy Tally score. This Overall Tally helps illustrate a big picture view of the broader election and voting policy landscape across the country. Scores and maps are maintained in real-time, so the scores available on our website may change on any given day as laws themselves change. For more, visit our Democracy Maps.
