FINANCIAL TRENDS

This graphic examines the financial capacity of LGBTQI movement organizations from 2017 through 2021. At the end of the 2021 fiscal year, participating organizations as a whole remain well-resourced and supported by a diverse range of revenue sources, but in the second year of the COVID-19 pandemic, fundraising income continued to decline, while corporate and in-kind giving newly declined. Note: on this page, some analyses required data from previous years. Only organizations that provided data for all years in the relevant analysis are included. Note also that, where applicable, percentages may not sum to 100 due to rounding.

36 PARTICIPANTS, TOTAL 2021 REVENUE = $385.8M, TOTAL 2021 EXPENSES = $267.3M
