Efficient Absentee/Mail Ballot Processing

No updates required since June 7, 2024

Background
The laws referenced herein apply to the “processing” of absentee/mail ballots, which is separate from the actual counting of those ballots. “Processing” can refer to different steps taken to prepare the ballots for counting, which helps to avoid delays in reporting election results. No state releases results prior to Election Day.

Scoring
- State requires or allows absentee/mail ballot processing to begin prior to Election Day, 1 point
- State does not require or allow absentee/mail ballot processing to begin prior to Election Day, 0 points
