

Voter Registration Deadlines

Scoring:

- If state has Election Day registration, +1 point
- If state deadline is between 1-15 days prior to Election Day, +1/2 point
- If state deadline is between 16-30 days prior to Election Day, 0 points
- Note: While every state determines their own registration deadline, the National Voter Registration Act (NVRA) (1993) does not allow states to set a deadline more than 30 days before an election
- No updates required since August 1, 2022
