

# **Voting Rights for Formerly Incarcerated People**

No updates required since August 9, 2024

# **Background**

Every state has laws outlining who is eligible to vote, and almost all states restrict voting for those who are currently incarcerated for a felony offense—though a few states allow citizens to vote while incarcerated. States differ on when and how formerly incarcerated people can have their voting rights restored.

# Scoring

- Voting rights are never lost or automatically restored upon release from incarceration, 1 point
- Rights lost until completion of sentence, including probation and parole, then automatically restored, ½ point
- Additional action is required post-sentence for restoration of rights, 0 points
